- **Do the bases in the current AEF pair have UTCs postured?**

  - **Yes – Check AFWUS Code (DWS; DWX....) and AEF UTC Reporting Tool (ART). If OK, load PAS Code in the system**

  - **No – Contact the MAJCOM and they confirm the base can support the tasking**
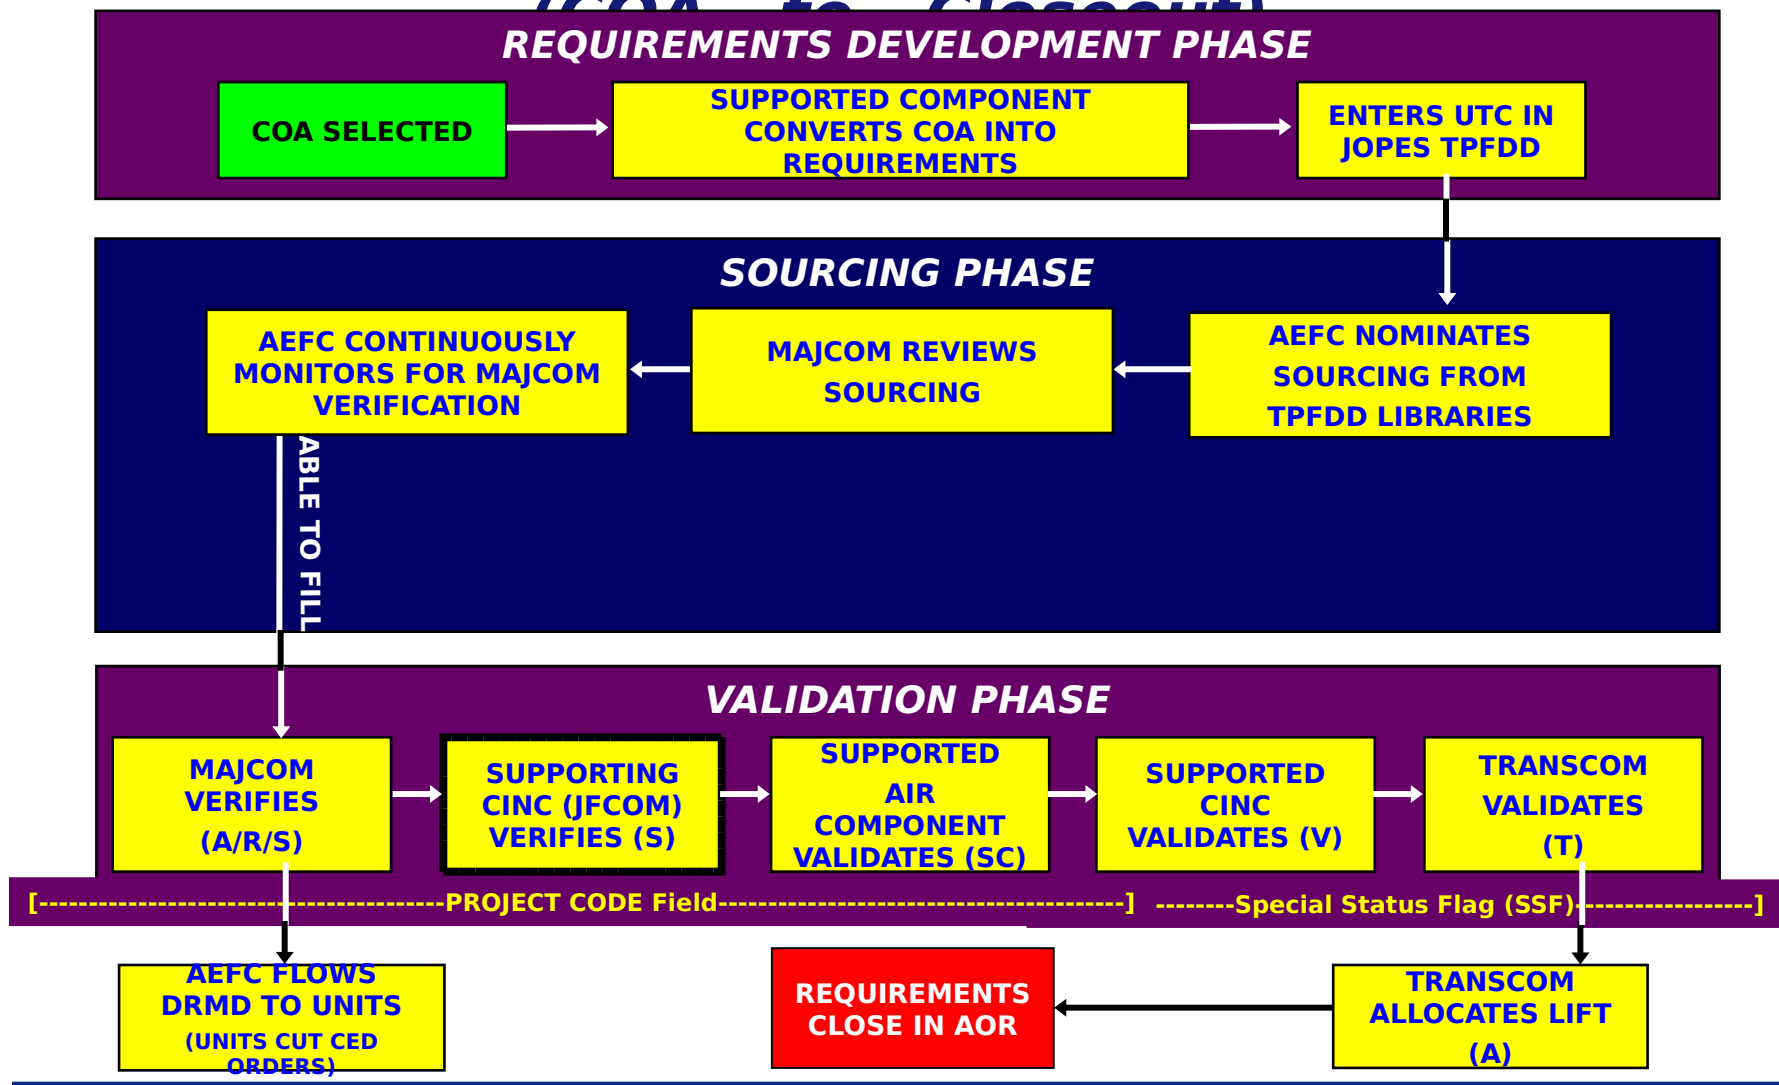

AEF UTC REPORTING TOOL (ART)

- **Secure, online system for reporting UTC readiness status for possible AEF taskings - Requires SIPRNET connectivity**

- **Green: UTC has everything it's required to have IAW the Manpower and Equipment Force Packaging System (MEFPAK)**

- **Yellow: UTC has a deficiency, but can still perform its mission**

- **Red: UTC has a deficiency and cannot perform its mission**

- **Contact unit deployment manager (UDM) or Wing XP office for details**
